27th February 2015

Dear Parents/Carers,

Reception trip to the London Aquarium

Both Reception classes are planning a fantastic trip to the London Aquarium to see some of the wonderful sea life that lives there. The children will be able to experience the awesome sharks, the huge stingrays and the graceful turtles as well as the clever common octopus and the colourful clownfish to mention just a few. There are also rare fish that are on the endangered list as well as many species that have been rescued or born and bred as part of the Aquariums conservation projects.

Blue Class will be visiting on Wednesday 11th March
Green Class will be visiting on Friday 20th March

We will be leaving school promptly at 9.00am and return by 3.30pm. This is an all day trip so please provide your child with a healthy packed lunch (remember no nuts or fizzy drinks) and make sure they are wearing sensible clothing/shoes for the weather.

The cost of this trip is quite expensive so we are asking for a donation of £5.00 per child. Please return the permission slip with your payment to your class teacher as soon as possible. If you would like to help out on this trip please also see your class teacher.

Many thanks for your continued support,

Ms Griffiths and Ms Hodnett
Green and Blue Class Teachers

Reception trip to the London Aquarium
Blue Class: Wed 11th March
Green Class: Fri 20th March

Child's Name Class

I give permission for my child to go on the above trip and I have enclosed my donation of £5.00.
