Year 1 Trip to St Ann's Library

During October, our Year 1s were taken to St Ann's Library to meet and hear from South African author Dianne Hofmeyr. She shared her book *Fiddle Dee Dee* with the children and some

enjoyed acting out the story with the wonderful masks Dianne had prepared. She kindly passed on templates which allowed the children to make masks in class, an activity they relished!

Author/Illustrator visit on Thursday 28th November

Yuval Zommer graduated from the Royal College of Art with an MA in Illustration. He worked for many years as a creative director at leading advertising agencies before becoming the author and illustrator of highly acclaimed non-fiction books.

Yuval's stunning "Big Book Of..." series has been published in 25 languages and has won and been shortlisted for numerous awards. He has a new book he will be sharing with us called "The Tree That's Meant To Be".

His visit will include spending time with our Year 2 and 3 classes and he will be in the library to meet children from throughout the school at lunch time, which will be an opportunity to buy his books and have him sign them.

We are really pleased to welcome him here at Chestnuts on Thursday 28th November.

School Nurse

We are very pleased to let you know that we now have a school nurse who will visit Chestnuts to work with parents and the school regarding children's health.

The service supports children and young people from ages 5 to 19 who are attending mainstream schools in Haringey. The school nursing service aims to ensure that each child and young person achieves their full academic potential providing a valuable link between health and education.

If you would like to know more there is a leaflet in the school's reception area.

Shirley Thompson will visit our School

Shirley Thompson OBE is an English composer, conductor and violinist. Her output as a composer encompasses symphonies, ballets, operas, concertos, and other works for ensembles, as well as music for TV, film, and theatre.

In 2002 she composed a symphony called "New Nation Rising" making her the first woman in Europe to have composed and conducted a symphony within the past 40 years. She is also an academic and is currently Reader and Head of Composition and Performance at the University of Westminster. In the 2019 New Year Honours she was appointed an Officer of the Order of the British Empire (OBE) for services to Music.

We are very proud to have named one of our classes after this amazing woman and we are very excited that she is coming to visit our school on Thursday 21st November.
