Head Teacher: Katie Horwood

Dear families,

Haven't these 3 weeks flown by? It has been so fantastic to have all children back in school and learning. I am so pleased with how everyone has settled back into routines. Next week we finish for Easter on Thursday at normal times and school returns on Monday 19th April.

Staggered start and finish times are here to stay for the Summer term to facilitate social distancing.

Friday afternoons

After Easter we will return to 5 full days of school a week. This will mean that all classes will finish at the same time everyday including Fridays. Your child(ren) will be expected to be in school on Friday afternoons.

Parents evening

We are very much looking forward to parents evening next week. If you haven't already signed up for an appointment to speak to your child's class teacher please do so [here](#). These meetings will allow teachers and parents to share important information about the children's experience of remote learning, how they have settled back into school and the progress they have made this year. **Please sign into your appointment 5 minutes before your appointment time to be ready on time, the appointments are swift!**

Homework - parent survey

In light of the remote learning that we provided and knowing the benefits some of this has brought we are keen to explore how we can develop our homework offer. Please fill out this [survey](#) to give us feedback on homework and your thoughts.

Term dates for 2021/22 are attached to this newsletter

Wishing you a lovely weekend,

Mrs Horwood
