

Class Artwork

There are also some excellent displays and models that the children have been making as part of their various class topics.

Here we have **Year 6** making periscopes:

Year 5 have written aged letters to Maximus:

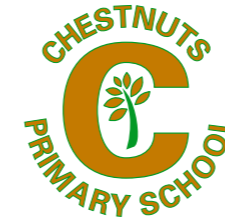

Year 4 have been exploring patterns:

Year 1 have been exploring architecture and making their dream buildings based on real life inspiration:

And this is just featuring a few! Well done to all our classes.

Chestnuts Primary School NEWSLETTER

19 October 2018 | Issue 0029

Dear Families,

We have had a really positive first half term to the new school year. We have been extremely busy as usual with football and netball tournaments, Wear it Wild Day and Black History Week. The children have been working hard and have already produced some fantastic work.

I think we are all looking forward to half term – I hope you all have a restful holiday and I will see you back at school on Monday 29th October.

Mrs Horwood

After School Collections

Please email your teacher if someone else is collecting your child after school.

Flu Immunisation

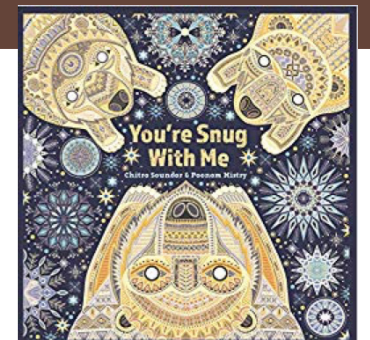

Please make sure you return your completed forms to school as soon as possible. You need to return your forms whether you want your child to have the flu immunisation or not. Immunisations are available for all children from Reception to Year 5.

Author Visit

Save the Date - Friday 9th November 3.30-5.30pm

Author Chitra Soundar has a glorious new picture book coming out in November and will be launching it here at school, instead of at a bookshop.

We'd love to see lots of families come along to meet her and have a story and crafting time with her. There will be the chance to buy her books and get them signed - they make a lovely Christmas gift!

Secondary School Transfer

Please be aware that the deadline for uploading your form for secondary transfer applications for all children in Year 6 is 31st October.

Black History Week

The children have been doing some fantastic work to celebrate Black History Week. Here are some of the wonderful displays they have created so far:

St Ann's Library

This week a group of children from Year 2 went with Mrs Efthymiou, Chestnuts' Librarian, to St Ann's Library on Cissbury Road. We went there because they are celebrating their 80th birthday. We saw a display of old photos and one of the librarians showed us around and then read a story to the group.

If your child is not already a member, why not pop down with proof of ID and join?

Already a member? Remember membership cards are valid at all Haringey libraries. Half term is a great time to pop back down there and choose something to read!

Autumn Sports

This term, as part of our sports curriculum the children have been doing gymnastics. They have been really enjoying using the equipment and have been enthusiastically embracing physical exercise!
